A hand-drawn illustration on a purple background. A person with dark hair, wearing a white nightgown with blue stars and green stars, is lying in a bed with a white blanket. The blanket has a handwritten quote in black ink. The bed is framed in green. There are decorative elements: a vertical strip of colorful owls and leaves on the left, a square of colorful stars on the top right, and a vertical strip of colorful bunting on the bottom right.

"Caring for myself
is not self-indulgence,
it is self-preservation,
and that is an act
of political warfare."
- AUDRE LORDE
